

Exeter Health Department

The Exeter Health Department is part of the Exeter Fire Department. We strive to make Exeter a safe place to live, work and dine out. We review plans, inspect work in progress, license food service operations, inspect day care facilities and respond to complaints that come under our jurisdiction.

In addition, the Seacoast Public Health Regional Network serves the seacoast region of New Hampshire to prepare for, respond to and recover from all public health emergencies in the region and to develop and maintain a trained corps of medical and non-medical community volunteers. Our region covers the 23 towns of Brentwood, East Kingston, Epping, Exeter, Fremont, Greenland, Hampton, Hampton Falls, Kensington, Kingston, New Castle, Newfields, Newmarket, Newton, Newington, North Hampton, Nottingham, Portsmouth, Raymond, Rye, Seabrook, South Hampton, Stratham. We offer free trainings in emergency preparedness. See our calendar at www.seacoastphr.org for more information. **If you would like to join our Greater Exeter Citizen Corps or the Greater Portsmouth Medical Reserve Corps**, please call mcook [at] town [dot] exeter [dot] nh [dot] us (subject: Citizen%20Corps%20info) (Mary Cook) at 418-6404 or go to our website at www.seacoastphr.org and click on the Citizen Corps page.
